An Oasis of Art & Culture

since 1998

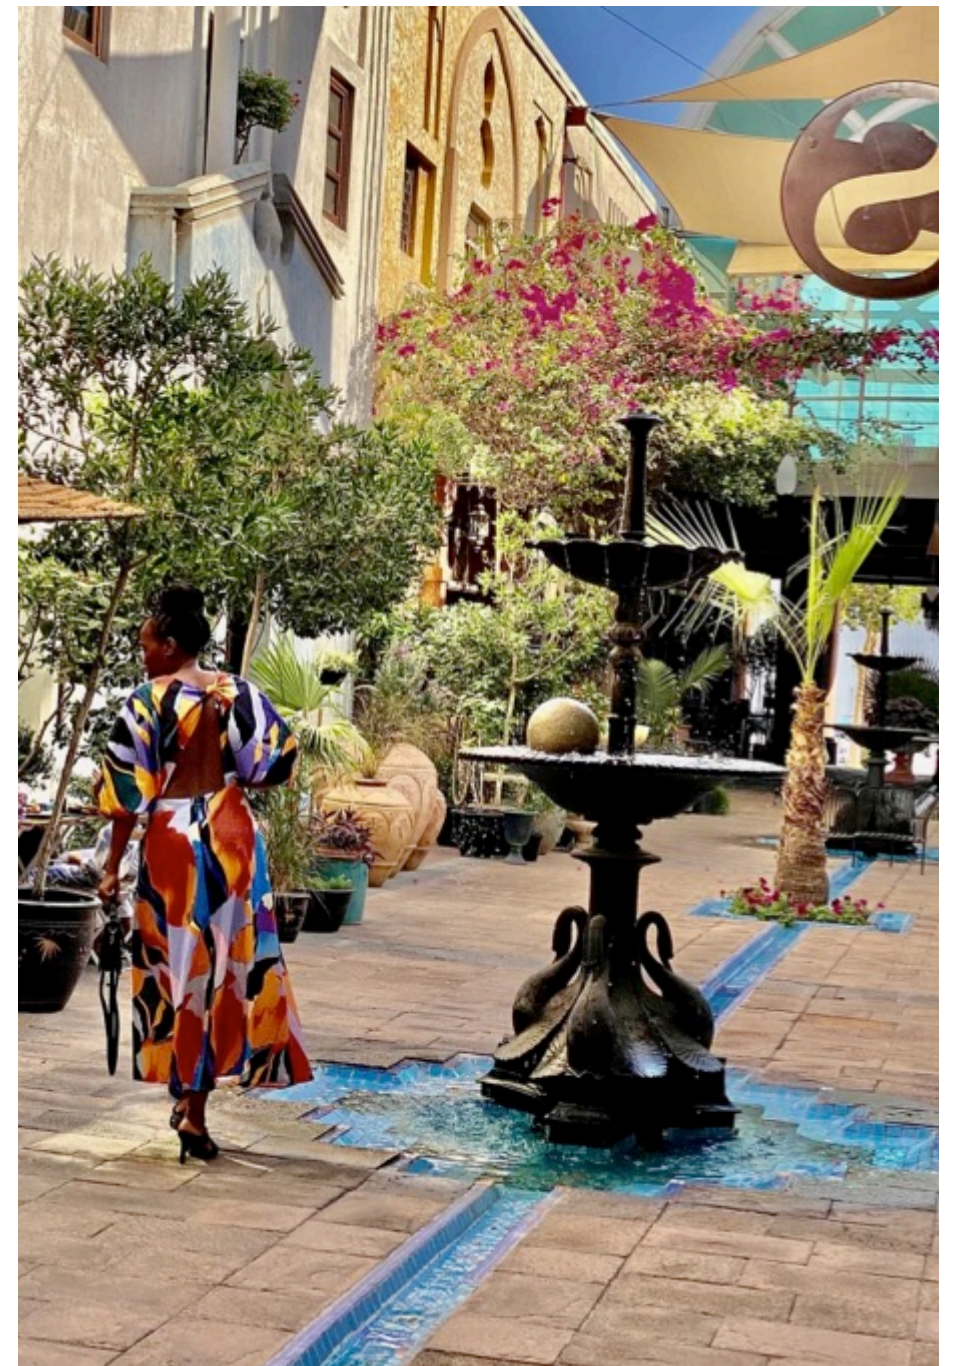

## About The Courtyard Improvising Art & Culture in the UAE

The Courtyard is an art and community center located in Al Quoz Creative Zone.

The Courtyard houses an art gallery, theatre halls, coffee and food concepts, an incubator business center, pop-up shops, music store, film and photography studios as well as spaces for interior designers and artists.

Since its opening (March 1998) The Courtyard has been home to an array of art exhibitions & creative projects, film screening, concerts & cultural activities, photoshoots, pop-up markets and events & functions of all kind .

Courtyard reflects the passion of its creators to bring people together in a space where they can learn about each other while engaging in art and culture.

## The Courtyard Community Pillars

### History

The preservation of historical architectural elements and the strong belief of materials repurposing in design, sits at the core of the Courtyard concept.

### Art

Home to Total Arts, a dedicated space to Art, of all form, Courtyard seeks to support art from a variety of cultures and promotes learning, collaboration and experimenting.

### Community

Operating as a hub, The Courtyard is hosting a variety of community initiatives with the aim of empowering people to collaborate and create an impact.

### Green Living

Green and eco-friendly initiatives have been the core of Courtyard's architecture & operations since its foundation. Variety of local plants and birds, together with its flowing water creates an oasis in the middle of city.

A vibrant courtyard scene with lush greenery, pink flowers, and people walking and sitting at tables. The courtyard is filled with various plants, including large potted plants and climbing vines. In the center, there is a black metal archway with a large green fan palm plant behind it. People are seen walking and sitting at tables, creating a lively atmosphere. The background shows a building with a glass facade and a balcony. The overall scene is bright and colorful, with a mix of green, pink, and brown tones.

## The Courtyard Garden

700 sqm of green/ sunlit and serene outdoor area, which can be converted to an air controlled indoor space by a tent & tensile structure.

The blue-tiled water channel, flowing water and the greenery make the charming courtyard (10 m x 70 m) flanked on either side by different facades, composed of numerous components salvaged from around the UAE, cleverly repurposed and narrating the story of the city.

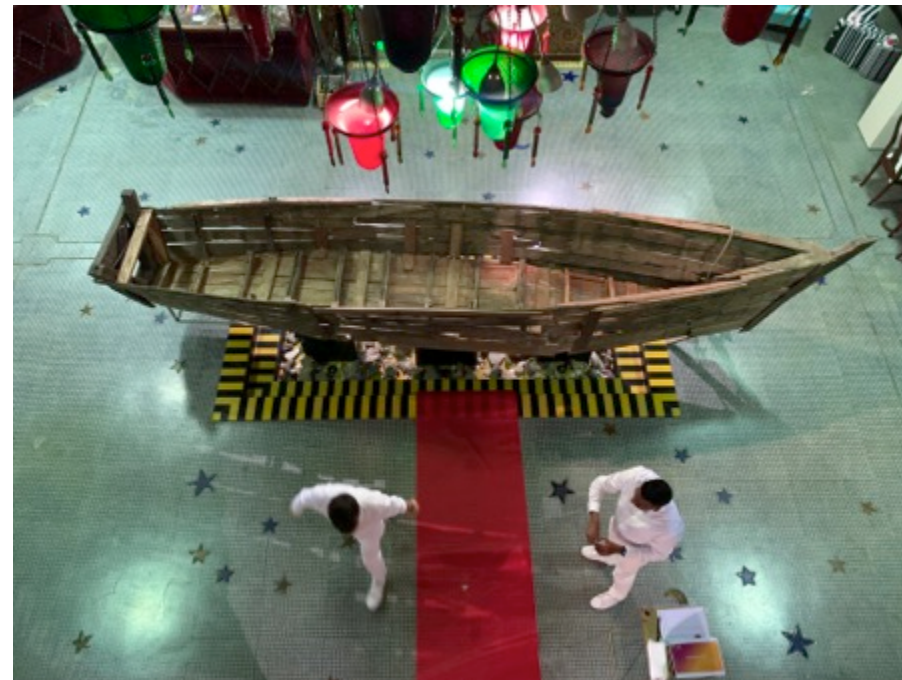

## Total Arts Gallery

MAIN HALL on ground floor is about 500 sqm and 10m height charming space decorated with hand painted finishing and artistic ornaments. Arabina night

## Pop- up Rooms

Two charming rooms, (30 sqm & 20 sqm), each has its direct entrance from the garden and perfect set up for smaller and more intimate presentation and showcase.
